

Circle of CARING

Circle of Caring Scholarship Fund - Adults

The Circle of Caring Scholarship Fund was established in the Fall of 2008 and is funded entirely by donations from individuals and community organizations who believe in the importance of art, and who want to share that with others.

Scholarship Awards fund one six-week class per person. These scholarships are intended to help adults who cannot otherwise afford to take a class. Scholarships cover the cost of a regular class or workshop (maximum value of \$179) only and there is a stipend up to \$50.00 to assist students with the materials required for the class. Please inquire about these costs before you apply.

If you receive a scholarship, we will respect your privacy and will not release your name, although we may contact you to ask if you would share your experience. Scholarship recipients will be required to complete a brief survey at the end of the class session.
