Wearable ART at DFAC continues to be the gold standard of Art Fashion Shows in Tampa Bay!

For the past fourteen years, WA designers have shocked, defied and delighted audiences with fashions that arrest the senses and exceed imagination! DFAC's Wearable Art Designers have gone on to receive international acclaim at New Zealand's renowned World of Wearable Art Show with fashions incorporating kinetic illusion, unlikely materials, pop-culture mythologies + outrageous theatre. This runway show is a state-of-the-art production and we seek designers of comparable excellence!
