

## Food Art Birthday Parties at DFAC

*Cooking plus art – what an awesome way to celebrate any special birthday. When filling out the online Birthday Party form, select which party then please note which option you want in the additional comments section.*

### **Mini chefs (30 min cooking, 1.5-hour party) – ages 5 and up: \$200m/\$275nm**

*In each of these parties, you will spend the first 30 minutes in the Food Arts studio and then spend 30 min in the hands-on area and then finish off your party in your own party room where you can celebrate and enjoy your cooking creations together. **Max of 10 children.***

*Select one of the below options:*

- Cupcake creations: For this party your little bakers will ice and decorate delicious cupcakes (you choose from a variety of flavors). They will learn basic piping and icing skills and get to use their creativity to decorate using a variety of ingredients. (We will do our best to customize decorating to match your theme).
- Perfect Parfaits: For this party little cooks will watch a short demo of how to make ice cream and then practice their knife skills cutting up various types of fruit. They will then get to choose and layer and create their own parfait.

### **Junior chef: (1-hour cooking, 2-hour party) – ages 7 and up: \$225m/\$300nm**

*In each of these parties, you will start with 30 min in the hands-on area and then go to the Food arts studio for the remaining 1.5 hours. You will enjoy eating your cooking creations in the food arts studio. **Max of 10 children.***

*Select one of the below options:*

- Just deserts: bakers will measure, mix, and pour and make a tasty strawberry shortcake.
- Pizza all the way: chefs will roll out their own dough to create their own pizza. They will learn knife skills as they prepare their toppings and then add the sauce and cheese.

### **Sous chef (1.5 hours cooking, 2 hour party) – ages 7 and up: \$275m/\$350nm**

*You will be in the Food Arts Studio for your entire party. Your group will work in small teams to create your menu and then have the remaining time to enjoy it in the studio. **Max of 10 children.***

*Select one of the below options:*

- Cooking around the world: chefs will create a 3-course meal, each from a different region of the world. Choose Italian, Mexican or Asian and we will customize your class.
- Pizza AND cupcakes: This combines making and assembling your own pizza with cupcake decorating.  
**(note, because this option is an intermediate class minimum age is 13 years old)**
