

wearable ART sixteen

fashion show / August 27th 2022

Wearable ART at DFAC continues to be the ULTIMATE Art Fashion Show in Tampa Bay!

For the past fifteen years (plus 2 years OFF for viral bad behavior!), WA designers have shocked, defied and delighted audiences with fashions that arrest the senses and exceed imagination! DFAC's Wearable Art Designers have gone on to receive international acclaim at New Zealand's renowned World of Wearable Art Show with fashions incorporating kinetic illusion, unlikely materials, pop-culture mythologies + outrageous theatre. This runway show is a state-of-the-art production and we seek designers of comparable excellence! Calling All Artists / Designers / Visionaries + Fierce Fashionistas ready to take Wearable Art 16 to the Next Level...
