Circle of Caring Scholarship Fund – Youth Classes

The Circle of Caring Scholarship Fund was established in the Fall of 2008 and is funded entirely by donations from individuals and community organizations who believe in the importance of art, and who want to share that with others.

Scholarship Awards fund one six-week class per person. These scholarships are intended to help youth who cannot otherwise afford to take a class. Scholarships cover the cost of one regular class or workshop and any associated materials fees.

If you receive a scholarship, we will respect your privacy and will not release your name, although we may contact you to ask if you would share your experience. Scholarship recipients will be required to complete a brief survey at the end of the class session.
